12) ಬೀದರ್‌ನ ಚಿಟಗುಪ್ಪ ನಗರವನ್ನು ಪ್ರತ್ಯೇಕ ತಾಲ್ಲೂಕನ್ನಾಗಿ ಮಾಡುವುದು.

SRI MOHAMED LAIQUDDIN.—Mr Speaker Chitguppa was a district with three taluks and 120 villages with its headquarters at Chitguppa town in the erstwhile Govt. of Hyderabad during the regime of Nizam. The district Chitguppa was under Asmanjahi Paigah. In the process of amalgamation of Jagir with Government administered area Chitguppa district lost its status of the district. Even it could not get the status of a Taluk. In the re-organisation of States, even Bidar District was bifurcated. Two taluks of Zameerabad and Narayankhed were merged with Andhra Pradesh while 3 taluks of Udgir, Nilange and Ahmedpur merged with Maharashtra Bidar. District remained with only 4 taluks of Bidar, Bhalki, Aurad and Humnabad. Later, one more taluk Basava Kalyan was carved out of the above 4 taluks. The Government of Karnataka, on administration basis wanted re-organisation of Districts and taluks and has appointed three Commissions, viz.. (1) Vasudevarao Commission, (2) Hundekar Commission and (3) Gaddi Gowder Commission. All the three Commissions have submitted their report. All the three Commissions have recommended to from Chitgauppa taluk in Bidar District with its Headquarters at Chitguppa town and this new Taluk shall consist of 100 and odd villages. But, it is not clear as to what the Government of Karnataka has taken decision on the recommendation of the above Commissions relating to the formation of Chitguppa taluk. At the advent of independence and reorganisation of State, many towns and cities particularly which are District and taluk headquarters have left in alround progress. It is an irony of fate. Chitguppa town once a budding town is decaying day by day and has almost lost its past glory. The general public and the area of formed Chitguppa district by and large have remained neglected and deprived of governmental facilities. I therefore urge, upon the Government to form Chitguppa taluk as early as possible and take proper steps for removing the scourge of backwardness of the people of its area,
